# 3 Rustique

...the  
***Next Step***  
has arrived.

## Key Features

### *Rustique 3, the new and exclusive triple glazed window with step over sash*

- An **exclusive** window system offering superb appearance and thermal efficiency.
- First **fully sculptured step over sash**, specifically designed to take the industry maximum 44mm Triple Glazed sealed unit whilst maintaining aesthetics with a full ovolo shaped bead.
- Innovative step over sash provides a **flush internal appearance** fitted into standard 70mm window frame.
- **Twin rebate gaskets** ensure that Rustique 3 conforms to British Standard weather resistance requirements.
- The combination of multi-chambered, thermally efficient window frame and **44mm Triple Glazed** sealed unit can achieve a maximum energy rating A++ which is considered the current gold standard.

For your peace of mind Rustique 3 has been tested and meets the stringent requirements of PAS23 for **weather performance** as well as PAS24 **security testing**.

# Locking & Hardware

Rustique 3 windows are fitted with the latest Maco 6 point high security 3 dimensional lock which includes **2 steel shoot-bolts** and **4 collared cams**, all secured by **key locking handles**. And for additional security Rustique 3 windows include **2 anti-jemmy hinge claws**.

For **your safety**, all side openers open to a **full 90°** thus creating a means of fire escape.

And to assist cleaning, side hung sashes can be put into **easy-clean** mode. This allows the sash to slide towards the centre of the window in the open position providing access to outside glass.

The heavier triple glazed units are held square with specially designed **heavy duty high security hinges**.
